issued awarding compensation to Petitioner based on the parties' stipulation. (ECF No. 34).

Petitioner has now filed a motion for attorney's fees and costs, dated December 9, 2021, (ECF No. 39), requesting a total award of \$19,002.80 (representing \$18,503.30 in fees and \$499.50 in costs). In accordance with General Order No. 9, counsel for Petitioner represents that Petitioner incurred no out-of-pocket expenses. (Id. at 1). Respondent did not file a response to Petitioner's motion.

I have reviewed the billing records submitted with Petitioner's request. In my experience, the request appears reasonable, and I find no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorney's fees and costs. Section 15(e). Accordingly, I hereby GRANT Petitioner's Motion for attorney's fees and costs. I award a total of **\$19,002.80** (representing \$18,503.30 in fees and \$499.50 in costs) as a lump sum in the form of a check jointly payable to Petitioner and Petitioner's counsel. In the absence of a timely-filed motion for review (see Appendix B to the Rules of the Court), the Clerk shall enter judgment in accordance with this decision.³

IT IS SO ORDERED.
